

Choose the benefits that are right for you
National Health Care Associates
November 13 - December 4, 2019

Colonial Life

National Health Care Associates is pleased to have trained benefit counselors assist with this year's voluntary benefits enrollment!

This year, you have the opportunity to apply for these voluntary benefits:

(Click the links to watch a quick video!)

[Accident insurance](#) helps offset unexpected covered medical expenses, such as emergency room fees, deductibles and co-payments that can result from a fracture, dislocation or other covered accidental injury.

[Cancer insurance](#) helps offset cancer diagnosis and treatment expenses that medical insurance doesn't cover. This coverage also provides a benefit for specified cancer-screening tests.

[Group critical illness insurance](#) supplements your major medical coverage by providing a lump-sum benefit that you can use to pay the direct and indirect costs related to a covered critical illness, such as heart attack (myocardial infarction), end-stage renal (kidney) failure, stroke or major organ failure.

[Group hospital confinement indemnity insurance](#) provides lump-sum benefits for a covered hospital confinement or outpatient surgery to help with deductibles and other expenses that are not covered by most major medical plans.

With most of our insurance plans:

- Benefits are paid directly to you, unless you specify otherwise.
- You can continue coverage with no increase in premium when you retire or change jobs.
- You're paid regardless of any other insurance you may have with other insurance companies.

Don't forget

It is important to speak 1-to-1 with a benefits counselor during the open enrollment period. This is your chance to learn more and make your benefits program work for you.

To learn more about the available benefits visit:
